Flyman Exports

Ethical Policy :

Flyman Exports adopts a rigorous selection process for Garment Manufacturer ensuring only those that are totally committed to exceeding our high ethical standard become appointed suppliers.

We recognise and honour our duty to protect the workforce used in the manufacture of Flyman Exports garments. Each appointed manufacturers must conform to the following terms as a minimum requirement:

- * **Children must not be employed below the legal minimum age required by the law of the individual country.**
- * **Employees are to be paid no less than the legal minimum wage as required by the law of the individual country.**
- * **Working hours must not exceed those set out by local legislation and over time must be Voluntary.**
- * **Maternity leave must be made available to all female employees.**
- * **Good working conditions must prevail. The provision of adequate wash room facilities and a canteen are essential.**
- * **Primary medical care must be provided on site**

To ensure continued compliance, are manufacturers are frequently inspected and reported upon by local independent agents. As a further safeguard, unannounced inspections are regularly made by Flyman Exports senior management.

We welcome you enquiries and samples of your choices to ensure our quality. We expect your positive business reply to prove our quality and service.

Thanks for your great opportunity,

Flyman Exports
